Subject: No rational in issuing notice when the weight of edible oil is ascertained by converting its volume while considering Specific Gravity (SG) up to 2 decimal place, is in conformity-reg.

Sir,

The undersigned is directed to refer to your letter No. I/2020/LM/432 dated 20.1.2020 on the above cited subject and to state that the specific gravity of edible oil may be used in two decimal places for calculating volume as per the industry practice, however, the International Standards for rounding off the numbers upto two digits should be followed.

Yours faithfully,
